

April 2022 Board Meeting Notes

Present: Mike Kirk, Joy Downs, David Foust, Dave Landis, Jim McGrath, Chris Lykes, Nancy Embler

Co-President Mike Kirk opened the meeting at 7:05 PM.

Secretary Nancy Embler presented the minutes. There being no corrections or additions, minutes were approved and seconded.

No treasurer's report.

Environmental Chair Jim McGrath presented the March water testing results. A Clemson graduate Brady McDaniels accompanied Jim. She is studying water quality. Jim received a request to have the LMA Board write a position statement on the Richland County Property Use Code. A discussion was held. Mike asked that Jim draft a position statement which he agreed to do.

Mike indicated that he had scheduled the public meeting for May 10 at 6PM. Speaker will be Charleston Sector of the US Coast Guard. He asked for volunteers to help set up and check in and provide refreshments. It was suggested we have

someone directing people to the appropriate check in tables.

Again it was mentioned that we need an updated membership list.

Co-President Lee Ayes has contacted the appropriate legislative members. They should be present on May 10.

Dave Landis said there were now 22 corporate sponsors.

David Foust said that Ladies Day was now on the website. And also on the Power

Squadron website. Eight ladies have already signed up. A Power Squadron national insurance policy will cover LMA for Ladies Day at no expense to LMA.

Mike updated us on the 4H20 program. Steve Phillips said it will be on June 30.

Dave Landis will be going to Jacksonville for surgery in a couple of weeks.

It was suggested that we put on our website that Dominion Energy is patrolling the lake looking for violations and will be enforcing them.

Joy Downs passed out updated Bylaws to the Board.

The meeting was adjourned at 8:05PM.

Respectfully Submitted,

Nancy Embler, Secretary
