Subject: Dominion Energy South Carolina, Inc.
Saluda Hydroelectric Project; FERC Project No. 516 – SC
Public Safety Incident Report

Dear Mr. Brown:

Dominion Energy South Carolina, Inc. ("DESC") hereby reports the following public safety related incident that occurred at the Saluda Hydroelectric Project. The FERC Public Safety Database form for the incident is enclosed; there has been no local media coverage of the incident. The incident was not related to project operation but did involve a Project structure.

The incident occurred about 7:30 PM on June 14, 2024, when a 13-year-old female trespasser jumped from the concrete gravity section of the Saluda Backup Dam after apparently accessing the dam by foot from the north end of the site near the intersection of S.C. Routes 6 and 60. The incident was initially reported to Mr. Shae Hoschek of your office by e-mail on June 15, 2024. CEII Attachment 1 contains a more detailed discussion of the incident as well as the incident reports from local law enforcement and from Dominion's Corporate Security Response Center.

Should you have questions about this report, please contact the undersigned at (803) 217-7322 or raymond.ammarell@dominionenergy.com.

Sincerely,

A handwritten signature in blue ink that reads "Raymond R. Ammarell".

Raymond R. Ammarell, P.E., Manager
Dam Safety and Civil Engineering
Chief Dam Safety Engineer (South Carolina)
